

# GREEN GATEWAY

## E-Learning for EIB Group financial intermediaries on green financing

The **European Investment Bank Group** through **EIB Advisory Services** has created E-Learning courses on green and sustainable finance. The free courses are available to staff of **financial intermediaries partnering with the EIB Group**. Each E-Learning course offers an engaging introduction to EIB Group's green target segments and requirements.

### Programmes available

EIB green financing

The EIF's Sustainability Guarantee Product

*Each programme consists of several courses, see the details on the next page.*

**Target learners** are front- and middle-officers of financial intermediaries implementing EIB and EIF green financing agreements.

Each course takes **20-30 minutes** to complete.

All courses contain **quiz questions** to test learners' understanding of module contents.

Learners receive a **course certificate** upon course completion.

Courses available:

#### Sustainability

##### Guarantee: Introduction

Focus: Buildings, industry, agriculture

#### Sustainability

##### Guarantee: Requirements

Focus: Sustainability Guarantee Tool (example: industrial energy efficiency)

Participants receive certificates for completed courses!

## Frequently asked questions

### GENERAL QUESTIONS

#### ***Who is the target group of the Green Gateway E-Learning courses?***

The target group of the E-Learning are staff of financial intermediaries that implement EIB green windows and/or the EIF's Sustainability Guarantee.

Among this group, the primary target learners are front-office/sales staff. The content is however also relevant for other staff groups, in particular middle office staff engaged in green product development.

#### ***What is the benefit of participating in the Green Gateway E-Learning courses?***

The courses provide brief and engaging introductions to target segments and requirements of EIB green windows and of the EIF's Sustainability Guarantee.

The courses serve as a starting point for learners who are new to the topic but are also useful for learners already familiar with the concepts covered.

#### ***Is it mandatory to complete the E-Learning courses?***

The EIB Group does not require financial intermediaries and their staff to participate in the E-Learning. The E-Learning is a Green Gateway offer that can be taken up by financial intermediaries on a voluntary basis.

Individual financial intermediaries may however decide to make participation in the E-Learning courses mandatory for specific staff groups within their institution.

#### ***Whom can I contact if I have questions on the content of the Green Gateway E-Learning courses?***

Generally, financial intermediary staff should contact the person within their institution that manages the implementation of the EIB green window and/or of the EIF's Sustainability Guarantee.

Those internal managers have access to additional Green Gateway knowledge material and can approach EIB Group experts with content related queries through the Green Gateway Helpdesk.

### SIGNING IN TO THE E-LEARNING

#### ***Why do I need to use my business email to create an account?***

To manage the E-Learning system we need to understand with which financial intermediary you are associated. This requires that you sign in with your business email account.

Please note that registering with a shared mailbox account is not possible.

#### ***Is the number of users limited?***

The number of Green Gateway E-Learning users per financial intermediary is currently not restricted.

#### ***I tried to create an account but did not receive a confirmation email. How should I proceed?***

Please check your email spam folder. If the confirmation email is not in your spam folder, please contact the support email address on the next page.

#### ***Is my account information private?***

Yes, the E-Learning platform complies with the EDPS Regulation (EC) 2018/1725 of 23 October 2018 (data protection obligations for EU institutions and bodies).

### USING THE E-LEARNING PLATFORM

#### ***This flyer mentions that there are two programmes available but I only see one of them, why is that?***

If your institution implements an EIB green window you will see the "EIB green financing" programme in the E-Learning platform.

If your institution implements the EIF's Sustainability Guarantee Product you will see the programme "The EIF's Sustainability Guarantee Product".

#### ***Will other users see which courses I completed?***

No.

## Frequently asked questions

### USING THE E-LEARNING PLATFORM

#### *Are courses graded?*

No. However, you have to complete a course to receive a course certificate. If you completed a whole programme (consisting of several courses) you can additionally receive a programme certificate.

#### *How can I access my certificates?*

Certificates will automatically be emailed to you upon completion of a course or programme. Certificates are also accessible under the “my certificates” tab in the E-Learning Platform.

#### *Can I save my progress on a course I have not completed?*

Your progress is automatically saved in the system. You can leave a course at any time and then pick up where you left off when you log back in.
